CONFECTIONERY

MOUTH FRESHNER

In 1957, the humble journey of our company began with our founder Shree Sita Ram Chaddha Jee. He embarked on building Sher as a trusted brand with the

production of churan for kids, packed in paper pouches, in his home. In this small company, an enigmatic taste was concocted and concentrated upon, aimed at customer satisfaction, to be distributed in domestic markets of the founder's hometown, Moradabad, UP. 1964 marks the year that the company got officially registered as Sher and started working in a systematic order. The production of churan products started in the form of powdered churan and churan balls which were widely popular. Added in this list was sher's tamarind balls which were tangy and tasty! In 1977, a stepping stone was marked with Shri. Kasturi Lal Chaddha (2nd generation) and his zealous vigor to explore new horizons of success. It was with his efforts that the company bore all hardships only to emerge out stronger and better than ever. Confectionery items were produced with the help of newly equipped machinery amongst many new modifications. The product range was widely curated with anew 15-20 delicious items including coconut-based products and hard-boiled sugar candies. Now, in 2020, the company is under the guidance of Mr. Anil Kumar Chaddha (aka Sonu Chaddha) and Mr. Ravish Chaddha, who speared its success into the 3rd generation. We have hundreds of trademarks and copyrights with an expansive workforce of over 250 employees. We have inculcated toffees, lollipops, candies, eclairs and wafers in the variety of our offerings and hope to expand so as to include a huge range of other FMCG products. A premium range of traditional coconut ladoos with modern confluence of 5 luscious flavors with a shelf life of up to 4 months has too been introduced.

From the desk of CEO: This pinnacle of passion and success since the early years of our company would not have been possible without the ethereal force of nature and nurture, our mother- Mrs. Sudha Chaddha. Caring and compassionate, her blessings and support all throughout the journey of Sher have helped us reach where we stand today. It is with her continual shower of blessings that we endeavor to expand and excel.

The advertisement features a large, vibrant pink bag of Sher's Mitho Saunf against a dark blue, starry background. The bag is anthropomorphized with a large, smiling mouth showing colorful candies, and two pink hands holding more candies. The text on the bag includes "SINCE 1964" with a lion logo, "ek meethi shuruwat", "feel fresh", "Mitho", "SO SWEET", and "Saunf". A pile of colorful, rainbow-colored saunf candies is scattered at the base of the bag.
